TOP SECRET [REDACTED]

Office of Comptroller

- Attended a meeting at IC Staff to discuss potential changes in 1987 Congressional budget material and the status of the 1987 program/budget development process. IC Staff indicated that program managers would receive revised guidance this week that included both a modified DCI guidance level and a level reflecting anticipated DoD decisions on NFIP funding for 1987. The latter is expected to be [REDACTED] below the modified DCI guidance, which itself is [REDACTED] below the original DCI guidance. 25X1

- Russ Neely of OMB said our draft retirement bill has not been sent by OMB to other agencies for views. OMB is sitting on it until they get an Administration position on the Stevens bill on which there will be hearings in September.
- Other Congressional matters are contained in the attachment to the OLL report.

m. Insurance Operations Division/OP (IOD) has sent two proposed articles to the editor

25X1

Our goal is to ensure that retirees are receiving the same benefits information as are our employees. In regard to the UBLIC Life Insurance Program, IOD has experienced a marked increase of interest in the Program since the Employee Bulletin was disseminated on 7 August advising of the UBLIC revisions. Seventy-five requests for applications have been received thus far.

25X1

o. Office of Training and Education (OTE) representatives spent 7 and 8 August with consultants putting the final touches on the content and design of the pilot running of "Writing in the DS&T." This five-day course, which also draws on expertise from the Directorate of Science & Technology (DS&T) and OTE, focuses on how to plan and write a technical document in the DS&T environment. A shortened version of this course (three days) was also discussed and will be included in the next running of the DS&T CT Course.

Deputy Director of Central Intelligence
Executive Director

FROM: R. E. Hineman
Deputy Director for Science and Technology

SUBJECT: DS&T Weekly Activities for 16 August 1985

Of Special Interest this Week

25X1

° FBIS Swaziland Bureau has been providing exhaustive coverage of the crisis in South Africa, including daily roundups of South African press coverage and reports from radio and television. The bureau also monitored live a 7 August speech on Harare radio (Zimbabwe) by Prime Minister Mugabe discussing relations with South Africa and outlining his policies toward the opposition party of Joshua Nkomo, prompting thanks from the BBC Monitoring Service for an "exclusive" way ahead of other reporting. (U/AIUO)

° Answering the request of Assistant Secretary of State Wolfowitz's office for information that would provide a feel for Soviet Deputy Foreign Minister Kapitsa's attitudes and policies, FBIS supplied State with translations of a number of Kapitsa interviews and articles. (C)
